

Foundation Department
Required Materials 2022-2023

There are two ways you can get the materials you need to start your Foundation year:

- 1. Purchase a pre-prepared kit from the KCAI Art Store** that will be ready for you when you arrive on campus. You can purchase this pre-prepared kit at a 30% discount from June 1-July 31, 2022 (\$397.17). After July 31, 2022 the kit will no longer be discounted (\$567.39) and may not be available. Order your kit by visiting artsupplies.kcai.edu. For those who pre-order kits, they will be available for pickup from the Art Store (located in the KCAI Underground, lower level of Tony Jones Studios) starting Friday, August 19, 2022. A complimentary KCAI stadium cup and 5 ziploc bags will be included in the kit. In the list of materials below, materials that will be part of a pre-prepared kit are **starred**. Please note that no substitutions or omissions are allowed – if you order a pre-prepared kit you will be ordering all of the items it includes. All components of the kit are regularly stocked in the Art Store and may be purchased independently at any time, subject to availability. Missouri Sales Tax is applicable to all sales. Questions? Contact the Art Store at artstore@kcai.edu or 816-802-3349.
- 2. Purchase or locate the materials yourself.** If you decide to purchase or find materials yourself, we are providing you with a number of brand choices in each category (where possible) so that you can compare prices and budget accordingly. Pay close attention to the specific requirements for each item. You only need **one** item in each number category. So for example, for #1, Newsprint Pad, you can purchase **either** the Canson, Strathmore or Blick versions. For #7, paint, you need to purchase all of the colors listed but can choose from the three brands listed. For #16, paint brushes, you need to purchase each of the brush types listed but again you can choose from the four brands listed. If you have questions about this option to purchase or locate the materials yourself, contact the Foundation Department Chair, Samantha Krukowski, at skrukowski@kcai.edu.

Whichever option you choose, you must have these required materials with you on the first day of studio.
