

**Strategy:**

**Pre-reading:** Find information from outside sources (ex. Sparknotes or Shmoop.com) to fill in what you need to know to guide your reading.

**Reading:** Time yourself or set a page limit. After each limit is reached, write a quick 3-5 sentence summary of what you read.

**After reading:** Fill in the rest of the graphic organizer, paying attention to the last row especially.

<b>Title</b>	
<b>Author</b>	
<b>Conflict/Resolution</b> (probably only for fiction readings)	
<b>What</b> (brief summary)	
<b>Where</b>	
<b>When</b>	
<b>Author's Influence</b> (who/what influenced them or who did they influence?)	
<b>Main Characters</b> (probably only for fiction readings)	
<b>Additional Details</b> (Theme or lesson? Questions? Connections?)
