

Name of Policy: Network Support for Barbara Marshall Residence Hall Residents
Source: Campus Technology
Form to Complete: N/A

**Policy:**

Campus Technology:

- Will provide a working wireless and/or wired network connection in each room.
- Will provide documentation on how to set up individual machines to connect to the Internet.
- Will provide a KCAI account to each student for means of KCAI digital communications, email, chat, video meetings, etc.
- Will assist with network configurations to connect to the internet, as needed.

Students:

- Will have a 100/1000 Ethernet card already or wireless network connection available on their device
- Will have a current internet browser such as Firefox, Edge, Chrome, Safari, etc. installed on the machine prior to campus hook-up.
- Will provide an ethernet cable for wired connection. These cables may be purchased from the KCAI Art Supply Store.
